

# REGIONAL COURSE OFFERINGS 2020-21 SCHEDULE As of 11/16/2020

## **Student Eligibility**

1. Students must be an incoming 9<sup>th</sup>, 10<sup>th</sup>, 11<sup>th</sup>, or 12<sup>th</sup> grade student for the 2020-21 school year from one of our five partner districts:
  - Anaheim Union High School District
  - Brea Olinda Unified School District
  - Fullerton Joint Union High School District
  - Los Alamitos Unified School District
  - Placentia-Yorba Linda Unified School District
2. Students must be available for the entire course schedule. NOCROP cannot make accommodations for personal schedules. Holidays and breaks are based on the school district calendar where the class is held.
3. Students must have transportation to attend and exit class on time. NOCROP and its partner districts cannot provide transportation.

## **Application Process**

### **See the Career Guidance Specialist at your high school to pre-register.**

#### **Please note the following:**

- Submitting a pre-registration request to your Career Guidance Specialist or Counselor does not guarantee enrollment into the course.
- ROP may cancel a course offering at any time.
- NOCROP reports the attendance hours and final grades to the students' high school. The high school determines and awards transcript credit for students based on this information.
- NOCROP reserves the right to dismiss students from the course offering due to excessive absences, excessive tardiness, and other misbehavior.
- NOCROP updates this list of course offerings frequently due to changes resulting from funding, staffing, and student demand.

Students need to check this schedule at least a week prior to the class start date in case there are any changes in dates, times, locations, instructors, or cancelations.

**All 2020-21 Regional Courses will begin via Distance Learning.**

**Students need to be available for synchronous instruction during the scheduled class time.**

**Hybrid/In-person instruction will begin once all partner districts have returned to in-person instruction. Please check here for updates.**

*North Orange County Regional Occupational Programs (ROP) and activities shall be free from discrimination, including harassment, with respect to the actual or perceived ethnic group, religion, gender, color, race, ancestry, national origin, physical or mental disability, age, or sexual orientation. The Governing Board shall ensure equal opportunities for all students in admission and access to*

the educational program, guidance services, testing procedures, and other activities. ROP staff and volunteers shall carefully guard against discrimination, segregation, bias, and stereotyping in instruction, guidance, and supervision. (NOCROP BP 5145.3)
