## Pre-Registration Process

The student must complete and return the form to his/her CGS or counselor. The CGS or counselor will forward a copy of the pre-registration form to ROP via fax, scan/email, or by hand.

### *Please note the following:*

- Submitting a pre-registration form does not guarantee enrollment into the course.*
- ROP may cancel a course offering at any time.*
- ROP reports the attendance hours and final grades to the students' high schools. The high schools determine and award transcript credit for students based on this information.*
- ROP reserves the right to dismiss students from the course offering due to excessive absences, excessive tardiness, and other misbehavior.*
- ROP updates this list of course offerings frequently due to changes resulting from funding, staffing, and student demand. Students should check [www.nocrop.org](http://www.nocrop.org) at least a week before the anticipated class is to start because dates, times, locations, and instructors may change. Also, classes may be canceled or rescheduled.*
