Application and Selection Process

Step #1: Fill in and print the "2021 SUMMER SESSION APPLICATION" found online at www.nocrop.org. Make sure your parent/guardian signs it and that email addresses are correct.

Step #2: Return your application to your counselor or ROP Career Guidance Specialist in charge at your school on or before **Friday, April 16.**

Late applications will be accepted; however, these students will be placed on a waiting list and only contacted if space becomes available. These course opportunities fill quickly.

Please note the following:

- Submitting an application does not guarantee enrollment into the course. ROP will email parent/guardian and students notification of their status on or before Friday, **May 7**. ROP cannot accommodate early acceptance.
- ROP may cancel a course offering at anytime.
- ROP reports the attendance hours and final grades to the students' high schools. The high schools determine and award transcript credit for students based on this information.
- ROP reserves the right to dismiss students from the course offering due to excessive absences, excessive tardiness, and other misbehavior. See the Student Handbook for ROP rights and policies at www.nocrop.org.

Note: Students should bring a bagged snack or lunch on Skills Days. ROP does not provide food services and students are unsupervised during break/lunch. **Students are to remain on campus during class and break times.**
