- ROP may cancel a course offering at any time.
- ROP reports the attendance hours and final grades to the students' high schools. The high schools determine and award transcript credit for students based on this information. There are 156 hours for 2019 SummerSession.
- ROP reserves the right to dismiss students from the course offering due to excessive absences, excessive tardiness, and other misbehavior. See the Student Handbook for ROP rights and policies at [www.nocrop.org](http://www.nocrop.org).
