

REGIONAL COURSE OFFERINGS 2022-23 SCHEDULE As of 3/14/2022

Student Eligibility

1. Students must be an incoming 9th, 10th, 11th, or 12th grade student for the 2021-22 school year from one of our five partner districts:
 - Anaheim Union High School District
 - Brea Olinda Unified School District
 - Fullerton Joint Union High School District
 - Los Alamitos Unified School District
 - Placentia-Yorba Linda Unified School District
2. Students must be available for the entire course schedule. NOCROP cannot make accommodations for personal schedules. Holidays and breaks are based on the school district calendar where the class is held.
3. Students must have transportation to attend and be picked up from class on time. NOCROP and its partner districts cannot provide transportation.

Application Process

See the Career Guidance Specialist at your high school to pre-register.

Please note the following:

- Submitting a pre-registration request to your Career Guidance Specialist or Counselor does not guarantee enrollment into the course.
- ROP may cancel a course offering at any time.
- NOCROP reports the attendance hours and final grades to the students' high school. The high school determines and awards transcript credit for students based on this information.
- NOCROP reserves the right to dismiss students from the course offering due to excessive absences, excessive tardiness, and other misbehavior.
- NOCROP updates this list of course offerings frequently due to changes resulting from funding, staffing, and student demand.

Students need to check this schedule a week prior to the class start date

in case there are any changes in dates, times, locations, instructors, or cancelations.

For Online Courses: You will receive an email notification directly from the instructor regarding access to the class.

North Orange County Regional Occupational Programs (ROP) and activities shall be free from discrimination, including harassment, with respect to the actual or perceived ethnic group, religion, gender, color, race, ancestry, national origin, physical or mental disability, age, or sexual orientation. The Governing Board shall ensure equal opportunities for all students in admission and access to the educational program, guidance services, testing procedures, and other activities. ROP staff and volunteers shall carefully guard against discrimination, segregation, bias, and stereotyping in instruction, guidance, and supervision. (NOCROP BP 5145.3)

North Orange County ROP is fully accredited by the Accrediting Commission for Schools, Western Association of Schools and Colleges.

Career Pathway Internship

Accepting Applications	MULTIPLE PATHWAYS	
	Location:	Online
<i>UC/CSU "G" – General Elective</i>	Start/End Dates:	8/30/22 to 5/18/23 Varies by Home District
<p>Course Description: Career Pathway Internship reinforces and extends career technical learning opportunities for students through a combination of related classroom instruction and supervised work-based learning in an area related to a previous or concurrently enrolled Career Technical Education (CTE) Pathway Course of Study. Work-based learning will expose students to various aspects of a particular industry through authentic, meaningful experiences. Related classroom instruction will help students make the connection between prior career pathway coursework and their work-based learning experiences. Students will develop critical thinking skills, attitudes, and work habits that prepare them for the workforce and postsecondary education. Students will conduct research on viable career prospects and earning potential, identify educational pathways to meet their career goals, and develop a professional portfolio that will include a master application, resume, and career correspondence.</p>	Day(s)/Time:	2.5 Hours Per Week Online
	ROP Class ID #:	Will be assigned once a student completes the application process.
	ROP Instructor & Email:	TBD
	Prerequisites:	Current enrollment in a CTE Capstone Course or completion of a CTE Pathway.
