

Please read, complete, and return this form to the ROP instructor to keep on file for one year.

Work-based learning (WBL) is an integral component of career pathway programs offered through North Orange County ROP. WBL is an umbrella term that covers work experience, work experience education, and other career exploration activities that help students become work-ready. In ROP it may take many forms such as clinical and externships (required for certain training programs), Community Classroom (CC) which is unpaid WBL, or Cooperative Vocational Education (CVE) which is paid WBL. ROP teachers oversee the various aspects of WBL according to Title V, Sections 10085 and 10106 of the State Department of Education Regulations. Most ROP career pathway capstone courses require WBL to complete the course or training program requirements.

To participate in WBL, parents/guardians may need to transport their student to the WBL site. Transportation and insurance liability is neither provided by North Orange County ROP nor by the student’s school district. Students who drive their vehicle must have permission from a parent/guardian and follow California law which states that students with a provisional driver’s license may not have passengers under the age of 20 in the vehicle for the first 12 months (or until the driver reaches his or her 18th birthday), unless a licensed driver age 25 or older is present. Some WBL sites may be located within walking distance from the school. Also, students may need to be released from and/or return to campus during the school day to participate in WBL and thus should follow their school’s respective policies and procedures.

Based on my full understanding and acknowledgment of the above, I agree to indemnify, hold harmless, and release the North Orange County Regional Occupational Program, its employees, officers, representatives, and students from liability related to my/my student’s enrollment and participation in work-based learning.

Student Signature: _____ Date: _____

Student Name Printed: _____

Note: Students under the age of 18 must also have the signature of a parent/guardian who has reviewed this agreement.
